ORDER

This matter arises upon the joint motion of Forest Hills Residents' Association, Inc. ("Forest Hills") and its president, William Bates, filed October 26, 2012 for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission, being otherwise sufficiently advised, finds that Forest Hills and William Bates should jointly be granted full rights of a party in this proceeding.

IT IS HEREBY ORDERED that:

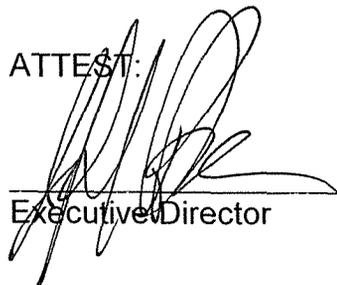

1. The joint motion of Forest Hills and William Bates to intervene is granted.
2. Forest Hills and William Bates shall jointly be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Forest Hills and William Bates file documents of any kind with the Commission in the course of these proceedings, they shall also serve a copy of said documents on all other parties of record.

By the Commission
